

Sponsorship across parks and open spaces

Trees:-

Our services offer the opportunity for people to sponsor a tree which could be to celebrate a special occasion, a new birth, or a memorial to a lost one. This scheme allows individuals to donate a tree which can be placed within the boundaries of many of our parks and open spaces.

Planting would be carried out between October and March with a preselected choice of location and species to select from.

The trees supplied are standards with a circumference of between 12 and 16cm at 1m a stem height of at least 2m with a well-developed head of branches, or a feathered tree of similar size. The price of the tree which includes planting staking and mulching is **£450.00 + VAT**. Larger trees are available upon request.

We can also arrange for the purchase and installation of a metal plaque in front of the tree carrying your suitably worded inscription. A 6 x 4 inch plaque carrying up to 60 **characters**, placed into the ground will cost an additional **£200.00 + VAT**. Larger plaques are available upon request.

Please note:

1. We will replace any tree that perishes through natural causes in the first year, but cannot unfortunately undertake to replace those that are vandalised or fail at a later date.
2. The parks service would ask that no further items of flowers or memorabilia are attached or placed around the tree.
3. At present; due to over-subscription we are unable to accept any further requests for trees or benches in **Christchurch Green**. For a list of parks visit our website:- visionrcl.org.uk/parks.

Memorial benches-

We have many sponsored memorial benches across our parks and open spaces.

The majority of these benches are often sponsored by loved ones in loving memory of those who once enjoyed the beauty of visiting our parks and were a part of the parks community.

Please Note

1. We are able to carry out reasonable repairs to donated benches, but cannot unfortunately undertake to replace seats which are vandalised beyond economic repair or stolen. Vision RCL accepts no replacement liability for the plaque or bench at the end of its useful life.
2. The parks service would ask that no further items of flowers or memorabilia are attached or placed around the bench.
